AGREEMENT

THIS AGREEMENT**,** made and entered into by and between BAKERY, CONFECTIONERY, TOBACCO WORKERS' AND GRAIN MILLERS INTERNATIONAL UNION, AFL-CIO LOCAL NO. 26, Denver, Colorado, as Party of the First Part, and sometimes referred to herein as the "Union," and KING SOOPERS, A DIVISION OF DILLON COMPANIES, INC., as Party of the Second Part, and sometimes referred to as the "Employer."

WITNESSETH:

WHEREAS, the parties hereto, after negotiations, have reached an agreement upon the terms, provisions and conditions herein set forth:

NOW THEREFORE, the parties hereto do mutually covenant and agree as follows:

ARTICLE 1

RECOGNITION

The Employer recognizes the Union as the sole collective bargaining agency for the employees employed in the classifications set forth in this Agreement at the Employer's in-store store bakery at 12167 Sheridan Boulevard, Broomfield, Colorado, but excluding all store managers, first assistant managers, associate managers, retail clerks, office and clerical employees, meat department employees, delicatessen department, demonstrators, watchmen, guards, professional employees and supervisors as defined in the National Labor Relations Act as amended. Notwithstanding any agreement recited herein or as a claimed practice between the Parties to this Agreement, and notwithstanding the fact the Employer may allow employees to transfer among its several bargaining units, the Employer recognizes the

Union at its existing retail bakery, as the bargaining unit is presently constituted herein. The Union must seek representation rights through the NLRB processes for employees employed in any future store(s).

ARTICLE 2

UNION SHOP

All employees covered by this Agreement shall be members in good standing with the Union, not later than thirty-one (31) days after the effective date of this Agreement, and shall remain members during the life of this Agreement. All employees hired hereafter shall, as a condition of employment, become members of the Union on the thirty-first (31st) day and shall remain members of the Union in good standing during the life of this Agreement.

"Good Standing," for the purpose of this Agreement, is intended to mean the payment or tendering of initiation fees and periodic Union dues. The Employer will promptly notify the Union in writing upon employment of any new employees coming under the jurisdiction of the Union giving the name, job classification and date of employment.

It is agreed that the Employer will not be asked by the Union to discharge any employee for nonpayment of Union dues, or failure to join the Union until after a six (6) day written notice has been sent by the Union to the Employer.

Notice relative to Union membership of new employees shall not be effective until after the thirtieth (30th) day of employment.

ARTICLE 3

BARGAINING UNIT WORK

Supervisory personnel and clerks shall not be required to be members of the bargaining unit and may perform any work within the classifications covered by this Agreement for the purposes of training and in emergencies. Store managers and Assistant Store Managers may perform bargaining unit work when a regular baker is not available. Bakery Management may perform any work within the classifications covered by this Agreement. Bakery Management shall not replace a baker and/or cake decorating shift.

Supervisory personnel (excluding Store Managers, Assistant Store Managers and Bakery Management) and clerks may be assigned to work only when available work for bargaining unit employees is not claimed by bargaining unit employees during the schedule selection process or from the additional hours request list or could not be

assigned at overtime to employees of that store. It is understood that such assignment does not take straight time or overtime opportunities from employees already at work.

Notwithstanding, non-bargaining unit personnel may be assigned incidental work within the bargaining unit not to exceed two (2) hours a day without violating this provision. During the week before and the week of Valentine's Day, and during the months of May through June 15, non-bargaining unit personnel may be assigned to assist with the seasonal demands in the bakery and shall be allowed to perform cake decorating work providing that existing cake decorators within the store have been first given the opportunity to work the needed additional production hours, and further provided that such additional hours can be worked at straight-time.

Cake Decorators may be required to perform up to 3 (three) hours of actual baker production work during their shifts (if trained). Bakers may be required to perform up to three (3) hours of actual cake decorating production work during their shifts (if trained). Bakers and Cake Decorators shall not refuse training if offered by the Employer.

Bargaining unit personnel maybe assigned incidental work outside of the bargaining unit within the Bakery Department. Bakers and Decorators may be forced in reversed seniority order within the store to fill work shifts within their store and classification. However, anyone forced seven (7) days a week for two consecutive weeks will be allowed two (2) days off during the third week and cannot be forced, but may volunteer to work on such days off. Notwithstanding, the Employer may at its discretion allow an employee forced to work herein to refuse such assignment. In such event, the Employer may assign the work to employees from other bargaining units. It is understood that in forcing employees of the bargaining unit to work as provided herein management may force employees at straight-time before forcing employees at overtime.

Notwithstanding the provisions contained herein, it is understood and agreed the Company shall have the right to use vendors and/or supervisory personnel to perform bargaining unit work without restrictions in connection with the opening of a new store and the two (2) week period thereafter, or during the two (2) weeks before and after a store remodel.

ARTICLE 4

CHECK-OFF

The Employer agrees, during the life of this Agreement to deduct from the net amount due on the second payday of each month, the Union initiation fees, where payable, and the monthly dues for the current month of each employee of the certified

bargaining unit who has furnished the Employer with an individual written authorization, revocable at will, of such deduction on a form mutually agreed upon between the Employer and the Union.

The Employer agrees to remit such deductions to the Secretary-Treasurer of the Local Union within Ten (10) days after the second pay period of each month.

The Employer agrees, during the life of this Agreement to deduct monthly amounts designated for BCTGM-PAC by written authorization and to remit same, promptly to the Union. Such authorization shall be voluntary and shall not be implied as a condition of employment.

ARTICLE 5

PAYDAY

The workweek shall end on Saturday, and in no case shall wages for the week be paid later than the following Thursday. In the event that checks are ready and available on any earlier day at the location they shall be distributed as soon as possible.

ARTICLE 6

HOURS OF WORK AND OVERTIME

WORKWEEK. The workweek shall coincide with the calendar week. Forty (40) hours to be worked in any five (5) eight and one half (8 1/2) hour days (which shall include a one-half hour unpaid lunch as provided below) shall be the standard workweek for regular full-time employees, except in holiday weeks when the standard workweek shall be thirty-two (32) hours to be worked in four (4) eight and one-half (8 1/2) hour days (which shall include a one-half hour unpaid lunch as provided below). Part time employees, if available, shall not be scheduled less than twenty (20) hours per workweek or less than four (4) hours per workday. It is understood that part-time employees, for the purpose of fulfilling temporary Employer needs, may be assigned to a forty, (40) hours schedule.

The above clause shall not apply in a holiday week or when the bakery is inoperative because of flood, fire, strike, Acts of God, power failure or similar emergency or, if the employee fails to report to work when scheduled; absents him-self from work because of personal reasons or is discharged for cause during the workweek.

No full-time employee permanently assigned to a store on the effective date of this Agreement shall be moved from such store by virtue of the additional use of part-time employees. In the event of the need to reduce hours from a store, such hours shall

be taken from a part-time employees schedule prior to reducing a full-time employee under the above guarantee as provided elsewhere in this Agreement.

ASSIGNMENT OF OVERTIME. Overtime compensation at the rate of time and one-half (1-1/2X) the employee's base hourly rate of pay shall be paid under the following conditions:

1.) For all hours worked in excess of eight (8) in any one, (1) work shift.

2.) For all hours worked in excess of forty, (40) hours in any one (1) workweek.

3.) For hours worked prior to an employee's scheduled starting time when less than twelve (12) hours has elapsed since his last previously scheduled quitting time.

4.) Employees who are scheduled and who work a sixth (6) and seventh (7) consecutive day shall receive time and one-half (1½X) their regular straight-time rate. No employee shall be permitted to claim additional hours or schedules, which would provide a six (6) or seven (7) day schedule during a workweek.

PYRAMIDING OF OVERTIME AND PREMIUM RATES. Except for night premium, it is understood that where more than one premium and/or overtime rate applies for an hour of work that only the highest individual premium or overtime rate shall be paid for such hour. It is expressly understood that no multiple or combination of premium and/or overtime rates shall be paid for the same hour of work. It is further understood and agreed that any hour paid at an overtime or premium rate of 1-1/2X shall be excluded from the calculation to determine any weekly overtime due.

LUNCH PERIODS. Employees scheduled for a work shift of at least five and one-half hours shall be entitled to a one-half hour unpaid lunch period to be taken, as near as practical, in the middle of the employees work shift. In the event an employee's meal period cannot be completed not later than five and one-half (5½) hours after the employee began working, then such employee will receive a paid one-hour lunch period.

Upon mutual agreement between the Employer and the employee, a regular full-time employee may work four (4) ten (10) hour days to make up the standard workweek, except in holiday or daily vacation weeks when the standard workweek, at the Employer's discretion, may be five (5) eight (8) hour days. Unless modified herein, the provisions of this Agreement shall apply to such standard workweeks.

FOUR TEN-HOUR WORKWEEKS

1) Overtime to be paid for all time in excess of ten (10) hours in any one (1) day.

2) Payment for funeral leave shall not exceed the straight time hours scheduled per day missed up to a maximum of twenty-four (24) hours pay.

3) After eight (8) hours of work the employee shall be entitled to a third fifteen (15) minute break.

4) Payment for jury duty shall not exceed eight (8) hours pay per day missed less what he is paid for serving on the jury. The Employer may reschedule employees required to serve on jury duty, included but not limited to, scheduling them five (5) eight (8) hour days.

5) Sick leave pay will be paid if eligible, and following the full work day absence if such applies, not to exceed the number of hours scheduled on the day missed.

6) Management shall determine the number of four (4) ten (10) hour schedules during any one (1) week.

OVERTIME. Management shall offer overtime to employees by seniority within the Store where the overtime is needed first. If no one within the store accepts such hours management shall offer the top five (5) most senior and available employees who have signed the Over-Time Pool List. Employees shall sign-up for the Overtime Poll list at the same time Full-Time Requests are submitted.

Labor Relations, or a designated management representative, shall be responsible for contacting the five (5) most senior employees. Once Labor Relations has contacted the top five without anyone accepting, management shall fill at its discretion.

ADDITIONAL HOURS. Management shall post a weekly additional hours request list. Employees interested in working additional hours within their store must sign and designate the days they are interested in working additional hours on such list by midnight of the Saturday prior to the start of the applicable workweek. When additional hours become available within the employees store, management shall contact, in seniority order, employees who have requested to work on the day indicated on the request list and offer them the hours. If the hours cannot be assigned to the employees requesting them, and no other bargaining unit employee has contacted the Bakery Manager of said store to work said hours, management may fill the hours at its discretion. Nothing in this section shall be construed to require management to assign hours at overtime or to employees who have not made a request to work additional hours.

MANDATORY OVERTIME. Employees may be excused from mandatory overtime by indicating to their supervisor at the beginning of their shift the compelling reason (to be kept confidential by management) for their need to be off at a normal quitting time that day. The Employer shall make a reasonable effort to comply with such requests unless an employee repeatedly abuses the privilege.

WORK SCHEDULES AND HOURS. Management retains the right to determine the number of hours, and start times of each shift, to be worked within each classification, within the store. Daily scheduled shifts shall not be less than four (4) hours or more than eight (8) hours, at straight time.

Not later than ten (10) days prior to the start of any workweek, management shall post a list of shifts for each classification. Employees shall be allowed to select their schedule from the posted list of shifts, in seniority order by classification. Full-Time employees shall select first, followed by part-time employees. No employee shall be allowed to select a schedule that will result in overtime or other penalty provisions, unless expressly authorized by management. The Employee's selection shall be recorded on a master work schedule. Employees shall not be permitted to select a portion of a shift.

Prior to the start of the selection process, management shall identify approved vacation requests on the schedule. Daily vacation and personal holiday requests shall not supersede an employee's shift selection. Employees must immediately make their shift selections at the time directed by management. If an employee fails to promptly select, management shall select on behalf of the employee based on the employee's last written scheduling preference request.

Unless otherwise approved, or as the result of a reduction in hours, no full-time employee shall select less than forty (40) hours and no part-time employee shall select less than twenty (20) hours per week.

Management may require junior employees to select a specific number of shifts so as to facilitate the selection of all shifts from the list. In the event an employee is left with less than minimum hours, but has not been zeroed out, management may pull shifts in reverse seniority order from senior employees to get such employee to minimum hours, or management may elect to zero such employee out and assign any remaining hours in seniority order to senior employees. However, there shall remain one (1) full-time employee in each store.

The master schedule must be completed and posted by 9:00 AM on Friday prior to the start of the next workweek. Such schedule shall not be changed by management for that workweek except where such change is predicated on circumstances beyond the control of management such as sickness, injury, leaves of absence, vacations, jury duty, funeral leave, significant fluctuations in sales volume, utility failure or Acts of God.

Nothing in this section should be construed as preventing management from calling in employees for extra work outside of the posted schedule, from requiring overtime work outside of the posted schedule, or from bringing in additional employees where it appears advisable in the opinion of management. If the schedule is changed pursuant to this section, and hours are reduced, then the master schedule shall be re-bid downward, from the point of the schedule change. If hours are added, such hours shall be assigned as provided in the additional hours section of this Agreement.

Time spent by employees selecting shifts shall not be considered compensable work time, but, notwithstanding, management may permit employees to select shifts on Company time. Training hours, as designated by management, shall not be subject to selection by employees.

Full-time Bakers and Cake Decorators who are reduced in hours may work hours at other stores to maintain their full-time status. However, the affected employee shall be considered as full-time reduced, at their home store, for purposes of bump rights provided under the “Reduction of Hours” provision of the collective bargaining agreement.

ARTICLE 7

WAGES, CLASSIFICATIONS AND DEPARTMENTS

The current department' wages and classifications shall be as per Appendix "A" attached hereto, and, by this reference, made a part hereof.

BARGAINING NOTE: The Union is advised that Plan A requires employees to work eighty (80) hours in a four Saturday month and one-hundred, (100) hours in a five Saturday month to maintain eligibility for benefit coverage each month. For purposes of implementation, the Employer shall begin applying such eligibility provisions effective with hours worked in October 1997 for November 1997 eligibility.

The Company agrees to study potential modifications to the retiree benefit plan design for the purpose of slowing the rate of increase of the monthly cost of such plan. then,

Step II. The grievance is to be reduced to writing, signed by the employee and/or Shop Steward and immediately presented to the appropriate member of supervision with a copy to the Store Manager and the Local Union Business Representative. A meeting shall then be held among the aforementioned. In the event that a satisfactory agreement is not reached at this meeting, then within ten, (10) days of the meeting.

Step III. The request shall be made by the Union to meet with the authorized representative of the personnel/industrial relations department. If no agreement is reached at this meeting, then,

Step IV. A written request for arbitration and statement of position may be submitted by either party to the other, within thirty (30) days following a Step III meeting with respect to the matter in dispute. In the event that a written request for arbitration is not submitted within the said thirty, (30) day period the matter shall be considered as not arbitrable.

The matter to be arbitrated shall be submitted to an impartial arbitrator. If agreement on the selection of the impartial arbitrator cannot be reached within ten (10) days following the written request for arbitration, the parties shall apply to the Director of the Federal Mediation and Conciliation Service requesting that he submit the names of five (5) arbitrators and from such list the Union shall strike two (2) names, the Employer shall strike two (2) names and the person whose name is still remaining shall become the arbitrator.

The arbitrator shall hear testimony and argument concerning the matter in dispute beginning within ten (10) days of the time of final selection of membership of the Board. The arbitrator shall render a decision within ten (10) days following the completion of such hearing and both parties shall be promptly notified of such decision. The decision of the arbitrator upon any matter subject to arbitration as herein provided shall be final and binding upon all parties to this Agreement, provided that the arbitrator shall have no authority to add to, detract from or in any way alter the provisions of this Agreement. It is specifically agreed that the provisions of this Agreement providing for no strike or lockout and the interpretation or application of such provisions shall not be subject to arbitration. It is further agreed that a disciplinary penalty imposed against an employee by the Employer may be made the subject of arbitration if it is alleged that such disciplinary penalty was imposed without just cause.

The expenses of arbitration, including compensation and expenses of the impartial arbitrator, but not including the compensation or expenses of the representative selected by the parties, shall be borne equally by the Employer and the Union.

The Company's Labor Relations Director and Local Union President agree, prior to the scheduling of any case for arbitration, to meet to attempt to settle such case.

Remedies for Errors. If an error is made by management in the application of the provisions of this Agreement resulting in a lost work opportunity for the aggrieved employee such as scheduling and assignment of hours disputes, classification issues, and work jurisdiction matters and the effected employee immediately files a grievance, the employee shall be made whole by being permitted to work the number of hours lost. Such hours shall be above and beyond the posted schedule. The employee shall advise management any time after the next schedule is finalized for the workweek of their desire to exercise their right to work the hours due during the workweek on the date and time determined by the employee. An aggrieved employee may not demand such remedy on an overtime or premium-pay basis if the alleged violation occurred on what would have been a straight-time day for such employee. The employee must exercise this right to work within four (4) weeks of the settlement of error with the employer or such right shall be forfeited and no further remedy shall be required. It is understood that this provision shall not apply in the case of lost work opportunities resulting from an error in the drafting of the weekly work schedule if the employee points out such error prior to noon on Saturday prior to the start of the scheduled work week and management fails to correct such error on such schedule.

The Employer retains the right to determine the number of employees who may be on vacation at any given time. However, in no event shall it be less than one (1) person per store. When possible one person from each classification (Baker and Cake Decorator) may be on vacation at the same time. If a dispute develops between employees as to vacation preference, seniority shall govern within the department, the classification and store. Any vacation weeks that become available after the posting of such roster shall be offered by seniority within the classification and store.

The Employer will post a notice December 1 of the prior calendar year, and the employees will sign the roster as to their choice of vacation. This list will remain posted for selection until January 31 of each calendar year.

ARTICLE 26

SENIORITY

An employee's first thirty (30) calendar days of employment shall be considered a probationary period during which time he/she may be terminated for any reason, and he/she shall have no recourse to the grievance or arbitration procedures set forth in this Agreement concerning such termination. Such probationary period may be extended by mutual agreement between the parties. Moreover, no employee shall be given the opportunity to bid on any job opening until he has been employed for a period of at least six (6) months.

The Union and the Company agree that seniority within bargaining units, for employees employed in the classifications set forth in the labor agreement, shall mean the first day an employee reports to the assigned work location. If an employee is instructed to attend a company required orientation class on a day prior to the first day of actually reporting to the assigned work location, attendance at such Company required orientation class will not count for the purpose of determining competitive seniority. There will be no change in historical practice of paying employees for their attendance at the Company required orientation class (scheduled after the first day the employee reports to the assigned work location) and will in no way interrupt competitive seniority. It is understood that this agreement will only be applied on a prospective basis, beginning June 10, 1981.

The principle of seniority shall be the determining factor in matters affecting

layoffs, rehiring, job preference, shift changes and promotions provided the employee possesses the qualifications necessary to satisfactorily perform the work available. Recall from layoff shall be in reverse order of seniority.

FULL-TIME REQUEST LIST AND ASSIGNMENTS. There shall be established and posted a full-time request list. This list shall be made up of the names of employees in the bargaining unit who have made written request during the first fifteen (15) days in January (to be effective from the first workweek in February until the first workweek in August) or for the first fifteen (15) days in July (to be effective from the first workweek in August until the first workweek in February) of each year in which they state their wish to receive a full-time assignment, regardless of the hours or shift. Such written request shall be submitted to the designated Employer representative. This request shall remain in effect until the following request period or until assigned full-time.

The Employer will send the Union a copy of the "full-time request list" no later than March 1 and September 1 of each calendar year. The Employer will notify the Union of Full-time openings.

When a full-time job vacancy arises, and the Employer elects to fill such vacancy as full-time, then the vacancy shall be filled by assignment of the senior most qualified employee in the same classification as the job vacancy who has signed the then current "full-time request" list within the bargaining unit. The employee so assigned shall be required to fill the new assignment regardless of hours, shift or store location within the bargaining unit. It is understood, however, each employee who has made written request for a full-time assignment retains the right to revoke such request by written notice to the designated Employer representative at any time prior to the time he is offered such full-time assignment. If an employee revokes such request, that employee cannot renew his request until the next regular request period.

When a part-time employee is scheduled an average of forty (40) hours for a consecutive twelve (12) week period, the employee shall be offered a full-time position. The twelve (12) consecutive week period cannot be due to the absence of another employee.

Bargaining Note: It is understood that for the purpose of the provision, the definition of “absence” shall include such things as absence from work due to vacations, holiday, vacated shifts, absence, and illness.

TERMINATION OF SENIORITY. Seniority shall terminate for any of the following reasons:

a. Voluntarily quits.

b. Discharge for just cause.

c. Lay-off for twelve (12) months (full-time); two (2) months (part-time).

d. Failure to return to work in accordance with the terms of a leave of absence.

e. Failure to report for work within three (3) days of receipt of recall notice sent by registered letter to the last address furnished in writing to the Employer by the employee.

SENIORITY LISTS. Bargaining unit seniority lists shall be provided to the Union no more than four (4) occasions during the calendar year, upon request by the Union.

REDUCTION IN HOURS. When a reduction in hours is necessary within the store, as opposed to a layoff in the work force, hours will be reduced from part-time employees in job assignments within the affected classification in reverse seniority order within each store. If, after all part-time employees in the affected classification in the store have either had their hours reduced to twenty (20) or have been laid off, it is still necessary to reduce hours in the store, the least senior full-time employee in the affected classification in the store must have his or her hours reduced to twenty-four (24), before the hours of any other full-time employee in the affected classification are reduced. However, there shall remain one (1) full-time employee in each store.

Notwithstanding the above, the Employer reserves the right to eliminate a full-time position in a bakery. In such cases, the reduced full-time employee shall be immediately given the right to bump as a reduced full-time employee as provided in the "Seniority Right of Full-Time Employees Being Reduced In Hours" section below.

INVOLUNTARY LOSS OF FULL-TIME STATUS. An employee who has achieved the status of regular full-time shall retain that status unless he is scheduled and works less than forty (40) hours per week for twelve (12) consecutive weeks, at which time he shall be reclassified as part-time.

VOLUNTARY REDUCTION TO PART-TIME. A full-time employee, who has requested and has been assigned a part-time schedule, shall immediately be classified as part-time.

SENIORITY RIGHT OF FULL-TIME EMPLOYEES BEING REDUCED IN HOURS. Full-time employees who have been reduced to part-time shall in their second (2nd) consecutive week of such reduced hours, be allowed to exercise their seniority to claim the schedule of a lesser senior full-time employee in the bargaining unit (employees in Denver must first exercise their seniority as to employees in Denver before exercising their seniority as to an employee in Colorado Springs/Pueblo and vice versa) within their classification whose work they are qualified to perform. The full-time employee so displaced shall be allowed to exercise their seniority to claim the schedule of a lesser senior employee within their classification whose work they are qualified to perform. The third full-time employee so displaced shall be allowed to exercise their seniority to claim the schedule of the least senior employee within their classification whose work they are qualified to perform. Such request must be made to the Store

Manager prior to the posting of the following week's schedule. It is understood that the employee may bump at any time between the second (2nd) and eleventh (11th) week of reduction. The least senior employee whose schedule is claimed under this Section shall immediately be assigned to the schedule of the claiming employee.

BARGAINING NOTE: This change does not affect the number of bumps that may occur as provided in the current agreement.

LAYOFFS. When a reduction in the work force is necessary, as opposed to a reduction in hours, the following procedure shall be used:

Lay-offs will begin with the least senior employee within the classification to be reduced within the affected store. The affected person shall be notified and given the following options:

1. A regular full-time employee being laid off may displace the shortest service regular full-time employee within his classification within the bargaining unit. The regular full-time employee so displaced may:
    a. Displace the shortest service part-time employee in the same classification in the bargaining unit.
    b. Displace the least senior employee in the Plant, if the affected employee is qualified to perform the work.
    c. A full-time employee displaced as the result of the permanent closing of their store or bakery, shall be allowed to exercise their seniority to claim the schedule of a lesser senior full-time employee in the bargaining unit within their classification whose work they are qualified to perform. The full-time employee so displaced shall be allowed to exercise their seniority to displace the least senior full-time employee within their classification whose work they are qualified to perform. The third full-time employee so displaced shall be allowed to exercise their seniority in accordance within with 1(a)(b).
    d. Employees in Denver must first exercise their seniority as to employees in Denver before exercising their seniority as to an employee in Colorado Springs/Pueblo and vice-versa.
2. A part-time employee being laid off may displace the shortest service part-time employee within his classification within the bargaining unit.
3. Any employee with displacement rights under the procedures above shall be allowed to take a layoff in lieu of displacing any employee.
4. It is understood that, in any event, only amore senior employee can displace another employee under the procedure.

Laid off employees shall be recalled as needed, in order of seniority, to jobs they are qualified to perform. A full-time employee who has elected to displace a part-time employee under this procedure shall be immediately placed on the full-time request list in seniority order.

TRANSFERS BETWEEN STORES. Transfers from store to store shall not be made for capricious, arbitrary or discriminatory reasons. All employees desiring transfer to another store within the bargaining unit, in order to be near their residence, may indicate their desire for transfer in writing to their Store Manager with a copy to the Union. Such transfers will be considered at the time an opening occurs within their classification and status.

The employer shall allow a full-time retail employee to transfer to the plant to any position that was not bid by a full-time employee of the plant. The employee interested in transfer must send a written request to transfer to the Plant Manager. Part-time employees may transfer only to vacant part-time positions. Such employees must be able to perform the job for which he has requested to transfer.

ACQ Bucket Hours

When an employee (not at the “thereafter” rate) is promoted from a lower classification to a higher classification, the employee’s wage shall remain the same or be advanced to the next higher wage rate if the rate does not exist in their new classification. At this point, the employee will receive credit for all hours worked with the company and those hours will determine their pay level in the new classification. The employee will then work the necessary hours in that step before receiving their next pay increase.

When an employee (at the “thereafter” rate) is promoted from a lower classification to a higher classification, the employee’s wage shall remain the same or be advanced to the step below the “thereafter” rate in their new job class, whichever is higher. At this point, the employee will receive credit for all hours worked with the company. Rate Determination

Effective upon July 17, 2016, current employees will enter the newly revised wage scales in the following manner:

- Employees making less than the new entry rate per hour will immediately, upon July 17, 2016 receive the new entry rate per hour.
- Employees whose current wage is not found on the newly negotiated wage scale and between the new entry rate and the new top rate will be moved to the next higher wage rate from their current pay rate, and they will be required to work in that step for the designated period of time.
- Employees whose wage is found in the newly agreed wage scale will move to the same rate in the newly negotiated wage scale and shall receive credit for the hours worked and will progress to the next wage step after finishing the balance of hours.

Any grievance over recognition given an employee for comparable work experience at the time of his employment must be filed pursuant to the terms and conditions of the grievance procedure of this Agreement.

The Employer retains the right to advance an inexperienced employee to the thereafter rate at any time during the progression period.

Employees hired after June 4, 1983 who are transferred to another job classification shall be paid the same rate of pay they received prior to the transfer for a thirty (30) day period, which period may be extended for an additional thirty (30) days by mutual agreement in writing between the Employer and the Union. After said period, the transferred employee's rate of pay will be adjusted upward to the closest step progression in his new classification.

MINIMUM WAGE

Effective on July 3, 2016 in the event Federal or State minimum wage increases during the term of this Agreement to a rate greater than the starting rate, the new rate will be at least twenty cents ($0.20) per hour above the minimum wage and each rate above will be at least ten cents ($0.10) per hour higher than the previous rate in the progression schedule.

Bargaining Note: In applying the provision of this Letter of Agreement, the parties understand, for example, that an employee working at a progression step that is adjusted as a result of the operation of this letter would remain at the same step but work under the newly adjusted rate until they complete the remaining hours of that step and advance to the next step.

MEMORANDUM OF UNDERSTANDING
BETWEEN KING SOOPERS / CITY MARKET AND
BCT&GM Local 26,
REGARDING
COLORADO'S HEALTHY FAMILIES AND WORKPLACES ACT &
PUBLIC HEALTH AND EMERGENCY WHISTLEBLOWERS ACT

The parties to this Memorandum of Understanding ("MOU") are King Soopers/City Market ("King Soopers") and the BCT&GM . The parties recognize two new Colorado laws: the Healthy Families and Workplaces Act (the "HFWA") (enacted July 14, 2020) and the Public Health Emergency and Whistleblowers Act ("PHEW") (enacted July 11, 2020) that should be addressed in their collective bargaining agreement(s) ("CBA"). In an effort to ensure full compliance with these new laws, the parties incorporate these provisions into their CBA(s) currently in effect. Nothing in this MOU shall limit the parties' rights to bargain for any of the benefits described below in future negotiations. This MOU shall apply to all CBA(s) between King Soopers and BCT&GM Local 26 as follows:

1. King Soopers associates will accrue one (1) hour of paid sick leave for every thirty (30) hours worked starting from their first day of employment or January 1, 2021, whichever is later. Up to forty-eight (48) hours of paid sick leave per year.

2. Associates may use their accrued paid sick leave for the sickness, safety, and caregiving purposes described below. Paid sick leave may be used as soon as it is accrued, and must be taken in one (1) hour increments.

3. Associates will be paid their regular hourly rate for all hours in which leave is taken. Benefits will be maintained. This regular hourly rate does not include overtime or bonus pay, and paid sick leave is not considered "hours worked" for purposes of determining whether an associate is entitled to overtime in a given workweek.

4. When leave is foreseeable, King Soopers expects associates to make a good faith effort to provide advance notice of their need for leave and to schedule the leave in a manner that does not unduly disrupt King Soopers' operations.

5. King Soopers will allow associates to use their accrued paid sick leave to be absent from work when the associate has a mental or physical illness, injury, or health condition that prevents the associate from working; needs to obtain a medical diagnosis, care, or treatment of a mental or physical illness, injury, or health condition; or needs to obtain preventative medical care. King Soopers will not consider the fear or anxiety of contracting a communicable illness that is a cause of a public health emergency to be a mental or physical illness, injury, or health condition that prevents an associate from working, but will consider accommodations to an associate who has a health condition which would allow the employee to perform alternative work or jobs.

6. King Soopers will also allow associates to use their accrued paid sick leave to be absent from work when the associate needs to care for a Family Member who has a mental or physical illness, injury, or health condition; needs to obtain a medical diagnosis, care, or treatment of a mental or physical illness, injury, or health condition; or needs to obtain preventative medical care.

7. "Family Members" include any person who is related to the associate by blood, marriage, civil union or adoption, as well as a child to whom the associate is standing in loco parentis or a person who stood in loco parentis to the associate, as well as a person for whom the associate is responsible for providing or arranging health or safety related care.

8. If an associate or Family Member is the victim of domestic abuse, sexual assault, or harassment, King Soopers will allow the associate to use accrued paid sick leave for the following "safe" time purposes: seeking medical attention to recover from a mental or physical illness, injury, or health condition caused by the domestic abuse, sexual assault, or harassment; obtaining services from a victim services organization; obtaining mental health or other counseling; seeking relocation due to the domestic abuse, sexual assault, or harassment; or seeking legal services, including preparing for or participating in a civil or criminal proceeding related to or resulting from the domestic abuse, sexual assault, or harassment.

9. For leaves lasting four (4) or more consecutive workdays, King Soopers may request reasonable documentation to establish that the paid sick leave was used for one of the sickness, safety, or caregiving purposes described above.

10. In the event of a Public Health Emergency ("PHE"), King Soopers will allow associates to use accrued paid sick leave if a public official orders the closure of the King Soopers location where the associate normally works, or orders the closure of the school or place of care of an associate's child and the associate needs to care for the child.

11. King Soopers will not pay out accrued but unused paid sick leave upon an associate's separation from the company. However, if an associate separates from King Soopers and is rehired within six (6) months after the separation, King Soopers will reinstate any accrued but unused paid sick leave from the associate's previous employment.

12. Certain leave, such as FMLA and/or FFCRA leave, may run concurrently with paid sick leave.

13. Where the paid sick leave benefits set forth in this MOU overlap with benefits provided in a collective bargaining agreement or trust fund, the paid sick leave benefits and parameters set forth in this MOU shall apply first.

14. The parties agree that the HFWA allows for federal preemption under the Taft-Hartley Act and ERISA for collective bargaining agreements and trust funds that provide for paid sick leave benefits. Specifically, the HFWA is preempted when associates covered by a collective bargaining agreement in effect as of January 1, 2021 enjoy equivalent or more

generous paid sick leave benefits as compared to those required by the HFWA. In addition, the HFWA provides that bargaining parties may expressly waive the application of the HFWA's provisions in future collective bargaining agreements if associates covered by such agreements will enjoy equivalent or more generous paid sick leave benefits as compared to those required by the HFWA.

15. The parties agree that the paid sick leave, vacation, personal holiday, and short-term disability benefits available to associates under this MOU and the terms of the collective bargaining agreements are more generous than those required by the HFWA. As a result, the parties agree that any disputes related to paid sick leave benefits must be resolved according to the grievance and arbitration processes set forth in the applicable collective bargaining agreements. Any attempt to resolve grievances or disputes related to paid sick leave benefits according to the administrative or judicial remedies set forth in the HFWA will be deferred to the grievance and arbitration processes set forth in the applicable collective bargaining agreements.

16. The parties agree that the administrative and civil remedies set forth in PHEW, which prohibits employers from retaliating against associates who raise concerns about workplace safety wish to wear their own PPE during a PHE, are also preempted by the grievance and arbitration processes set forth in the collective bargaining agreements. Accordingly, all disputes about matters within the scope of PHEW—including but not limited to grievances and disputes related to capacity limitations, sanitization protocols, social distancing, masking, PPE use, or an associate's fears or anxiety about contracting a communicable illness that is a cause of a PHE in the workplace—must be resolved according to the grievance and arbitration processes set forth in the applicable collective bargaining agreements. Any attempt to resolve grievances or disputes related to matters of workplace safety during a PHE according to the administrative or judicial remedies set forth in PHEW will be deferred to the grievance and arbitration processes set forth in the applicable collective bargaining agreements.

17. The parties agree that any discussions which either party may wish to have regarding changes or additions to the relevant trust fund provisions or other related benefits in the CBA(s), in light of the HFWA and/or PHEW, will be the subject of bargaining.

18. Any disputes regarding the terms of this MOU and circumstances under which this MOU applies shall be processed through the grievance and arbitration procedures set forth in the applicable collective bargaining agreement(s).

Dated this 22ND day of December, 2020.

EXPEDITED ARBITRATION PROCEDURES

#1

Letter of Agreement

Between

King Soopers, Inc.

And

Bakery, Confectionery and Tobacco Workers

International Union, AFL-CIO, CLC, Local No. 26

The parties' signatory below agrees to adopt an expedited arbitration procedure as outlined below. Notwithstanding the provisions of such agreement, the parties recognize that arbitration already scheduled prior to the effective date of this agreement shall be arbitrated as in the past and not subject to the provisions of this agreement unless the parties mutually agree to do so.

Arbitrator David Goodman shall be selected as the arbitrator to hear cases arising under this procedure. The parties will contact the arbitrator to set dates to hear arbitrations under these procedures as needed.

The parties shall meet periodically to review cases pending arbitration and to schedule cases for arbitration under this procedure. Should a case scheduled for arbitration be settled prior to the scheduled date, the parties will make an earnest effort to substitute another case for the scheduled date.

Except as otherwise set forth in this agreement, all discipline cases, including discharges, shall be subject to the provisions of this procedure. Contract interpretation cases, upon mutual agreement by both parties, shall also be subject to this procedure. For discipline cases, other than discharges, both parties agree, where practical, to schedule at least two such cases to be heard on one day with the understanding that the presentation of such cases shall not exceed four hours, with both sides being allocated two hours for the presentation of their case and cross-examination of witnesses of the opposing side.

For all discipline cases, including discharges, both parties will make closing oral arguments unless mutually agreed otherwise, and the arbitrator will issue a brief written award. Where practical, the parties will direct the arbitrator to issue a written bench decision and summarize his decision in a one-page letter following the arbitration. The arbitrator, at his discretion, may request no more than seven days to deliberate on the issues of a particular case. In this regard, an arbitrator will issue his award within fourteen days following the close of the hearing.

Both parties will direct the arbitrator to issue a brief explanation as to the reasons for this award. In the case of contract interpretive matters, both parties recognize the need to file briefs and have the arbitrator write a detailed decision. In this regard, both parties agree to file briefs within two weeks following the close of the hearing and will direct the arbitrator to issue an abbreviated decision which details only the arbitrator's award with in two weeks following the receipt of briefs. The arbitrator will then issue a detailed decision within thirty days following receipt of the briefs by the parties.

Either party may, by notification to the other prior to a case being scheduled, exclude a particular case from the provisions of this agreement. In this case, the arbitration shall be scheduled and handled under the normal procedure.

Provisions of this agreement are hereby entered into by both parties signatory below and in full force and effect, unless either party, through written notification to the other party, gives thirty (30) days written notice of their intent to cancel this agreement. In this regard, the parties agree that cases scheduled for arbitration under this procedure shall proceed to arbitration as provided above.

MEMORANDUM OF AGREEMENT

King Soopers, Inc. and the Bakery, Confectionery and Tobacco Workers' International Union, AFL-CIO, CLC, Local No. 26 AGREE TO ENTER INTO THIS agreement to selectively use mediation to achieve a mutually satisfactory resolution of certain formal grievances. This agreement supplements and modifies all current Collective Bargaining agreements between the parties.

The following procedure will be followed whenever a grievance is selected to be mediated:

1. Once a grievance has been requested for arbitration, the parties may agree to submit the grievance to a Mediation Conference as outlined below:

    a. The parties agree to the selection of David Goodman as the impartial mediator. Dates will be obtained from the mediator as needed.

    b. Representatives shall be by non-attorney members of the respective organization. The grievant and location manager may be present for the conference. Each party shall be permitted to have not more than two additional observers. Observers shall not be permitted to offer testimony or make oral statements.

    c. The proceedings shall be informal and the formal rules of evidence shall not apply. Each party will make a brief presentation of the facts of their case not to exceed 15 minutes. The grievant and location manager may also make an oral explanation of their case not to exceed five minutes. The parties may also submit other written evidence, statements, etc. to the mediator, witnesses and oral testimony provided, that such testimony does not exceed the 20 minute total set forth above.

    d. The mediator will have the authority to meet with each party separately and to recommend a reasonable settlement to the grievance. The mediator shall have the authority to compel the resolution of the grievance. Grievances withdrawn, dropped, or resolved through a settlement agreement, as set forth in this process, shall be considered final and binding and may not be further processed to arbitration.

    e. All settlements, drops, or withdraws shall be on a non-precedent setting basis and without prejudice to either party.

f. The parties agree to attempt to schedule multiple grievances per mediation conference where possible. Further, the parties agree to share expenses of the mediator.
